PINTEREST WORKSHEET: FIND YOUR TOP 3 DESIGNERS

This worksheet is to help you narrow down your list of designers to the top three best suited for your style. Happy Pinning!

STEP 1:

Search - Use the keywords you've identified in your Bridal Style Blueprint to search for dresses.

STEP 2:

Pin Everything- If there is something about a dress you like, Pin it (we will edit it down later). For now, the main goal is to gather options and details that appeal to you.

STEP 3:

Marinate- Close Pinterest and don't go back to it for at least a day. You need time to let the things you've seen sink in and work their magic in your mind.

STEP 4:

Eliminate- Now go back to your board and delete everything you no longer like.

STEP 5:

Tally up - Chances are, you are going to see repeat designers (and probably dresses) on your board because their styles resonate with you.

DESIGNER NAME	TIMES PINNED

STEP 6:

The Results- The top three most pinned designers on this list are the ones to explore first.
