LOOKING FOR THE PERFECT DRESS JUST GOT A WHOLE LOT EASIER!

Here we break down some of the most beloved ready-to-wear designers and translate their style into wedding dress designers you're sure to love.

BOHO BRIDE:

Free-spirited, whimsical and romantic, you believe there is no greater designer than Mother Nature. You value freedom of movement and expression and are drawn to airy, ethereal dresses with just enough drama to make a statement. Bell sleeves, flowery skirts and accessories that pay homage to the environment— think flower crowns and leaf-shaped headpieces— are right up your alley.

CLASSIC/ELEGANT BRIDE:

Refined and elegant, you favor simple silhouettes with **clean lines made with exquisite fabrics** such as silk, satin and lace. Accessories are minimal —but impactful— and often meaningful. Think diamond drop earrings, your grandmother's vintage comb and /or a stunning tennis bracelet.

UNDERSTATED BRIDE:

Simple-yet-elegant, you're a **fan of uncomplicated silhouettes** featuring clean lines, lightweight fabrics and few —if any — embellishments. Equal parts pragmatic and romantic, you don't have any illusions about being a princess, though you certainly want to look your very best on your wedding day. Like everything else about you, accessories are delicate and unobtrusive. Think classic diamond studs, paper-thin necklaces and/or a barely-there bracelet.

GLAMOROUS AND SEXY BRIDE:

Your wedding day is your moment to shine, and you are ready to step into your spotlight. For you, **fashion is about making a statement** — dazzling details, daring necklines, low backs, high slits... you'll explore them all. Accessories also get a starring role. You love statement jewelry and dramatic veils, and when it comes to shoes, you believe in the old adage, "The higher the heel, the closer to heaven."

ROMANTIC BRIDE:

Feminine and fanciful, you gravitate towards soft, delicate fabrics such as lace, tulle, and silk in white, cream or even blush. **A fan of detailing**, you likely be looking at dresses with intricate beadwork, pretty floral appliqués or delicate lace down the arms. For you, the wedding day — and look — is all about paying homage to the beauty of love.

MINIMALIST BRIDE:

As a modern and minimalistic bride, you love clean lines, sleek silhouettes, and a monochromatic color palette. For you, it's all about a look that exudes sophistication and a sense of understated luxury. You will love wedding dresses that are simple and chic with no frills or extravagant embellishments. Look at sleek satin, faille or crepe fabrics that are crafted with seaming and design techniques into beautiful shapes. Accessories are kept minimal, with subtle jewelry choices like delicate stud earrings or a simple pendant necklace. Hair and makeup are usually kept clean and natural, with a focus on enhancing your innate beauty. Less is truly more, allowing you to shine in your purest form.
